Law Professor,

Nicholas
Robinson

**IT'S NOT
A GAME!**

BECAUSE WE LOVE THIS EARTH.

**Family friendly, free,
and open to the public**

Musical performers will include Guy Davis, Linda Richards, Pete Seeger & his grandson, Tao Rodriguez Seeger.

Professor Nicholas Robinson of the Environmental Legal Studies program at Pace University School of Law, to provide an international perspective on global warming.

Cold Spring resident Ellyn Rosenthal, co-founder of Local Yokels (activists whose projects include installation of 100s of local composters), will speak about reducing our personal carbon footprints.

An excerpt from "Silent Snow" about the effects of global warming & PCBs on Greenland & Inuit culture will be shown

Hudson Valley Day for the Earth Committee
Mid Hudson Progressive Alliance
Philipstown for Democracy
Clearwater, Inc.
